

OUR MISSION STATEMENT

North Platte Surgery Center is committed to providing our customers with Quality Healthcare while maintaining a courteous, caring, and cost effective environment.

EXPAND YOUR SKILLS AND MAKE LASTING CONNECTIONS

AMBULATORY SURGERY CENTER

The North Platte Surgery Center is an ambulatory surgery center with 4 operating rooms and 1 procedure room.

SERVING SEVERAL DIFFERENT SPECIALTIES

Orthopedics, General Surgery, Podiatry, OBGYN, ENT, Dentistry, Ophthalmology, and Pain

OPERATING HOURS

Monday through Friday
7:00am - 5:00pm
Including 7 paid holidays as well as working hours that are flexible.

JOB REQUIREMENTS

The job requirements include an active Nebraska license, BLS, ACLS and PALS certification.

ANESTHESIA

Our anesthesia staff performs general anesthesia and monitored sedation with opportunities to perform block anesthesia (but this is not a requirement of the position).

While we are looking for a permanent position, we are open to independently contracting a CRNA to mirror a locum opportunity without the locum company if permanent employment is not desirable.
