# Value Package

Proceeds benefit the  
**AANA Foundation & New NANA Scholarship Fund!**

**The Value Package (\$75) is a Team benefit**

**A Hole Advantage can only be used once during the Tournament.**

**Mark the  with the Hole # when the Hole Advantage is used.**

**Each team member must use the Hole Advantage from the same shot.**

**Only one Hole Advantage can be used on a hole.**

**\*\*\* (Value Package Benefits DO NOT Apply to Hole-In-One Vehicle Challenge) \*\*\***

**With this Value Package, your team will receive the following advantages:**

## **Course Advantage:**

**String It Out** - Team benefit using a **10-foot string** to move the ball into a better position. Use the string to measure from the ball to the desired position or hole then cut off that length of string. String cannot be used again after it is cut. String can be used to escape a hazard, improve a lie, or convert a missed putt.

## **Hole Advantages:**

-  String Cup** - Hit a shot that lands within the current length of your **String It Out** string, count the stroke and **treat the ball as “holed out”**.
-  Use the Flagstick** - If a team member hits the ball within a flagstick length from the hole, count the stroke, pick up the ball, and treat the ball as **“holed out”**.
-  Toss** - Toss the ball from a sand trap, fairway, or rough and **DO NOT** count the toss as a stroke. Each team member can **“Toss”** once from the same shot.
-  Driver Assist** - Advance best ball placement 15 paces (**50 feet**) following tee box drive.
-  Wood Putter** - Use any wood as a putter on the green and **do not count the stroke**. If still not **“holed out,”** finish the hole using your putter and count the stroke(s).
